BOROUGH COUNCIL NEWS

By Michael Ticktin

Council Hears Renewed Request for Sponsorship of an ATV Program; Yeshiva is Denied Extension of Stay and Seeks Reconsideration

At the Council's June 14 meeting, Bruce Reimbold once again asked the Council to consider including a program of transportation to tracks in other municipalities for teenage all-terrain vehicle (ATV) enthusiasts and their vehicles in the Borough's recreational program. This time, he had the support of Rod Tulloss, who said that he had previously complained about the damage being done to public woodlands by ATV drivers, but that the ATV drivers now understood the harm that they had been causing and had agreed to discontinue their activities in places where they are prohibited. Asked by Council members why municipal involvement was needed, instead of having the families involved provide the service themselves, Mr. Reimbold said that making it part of the municipal recreational program would give it more permanent status, so that it would provide an acceptable alternative for younger children when they become interested in ATVs, thereby preventing recurrence of the problems of forest destruction and noise that the Borough has been attempting to deal with by using its police powers. The Council agreed to discuss the matter with its insurance provider, the Monmouth County Joint Insurance Fund, to determine

what liability the Borough might incur if it were to agree to sponsor such an ATV program, and what the cost might be.

Also at the meeting, Richard Shaklee, the Borough's attorney, reported that Congregation Yeshiva Me'On Hatorah had filed motions with the Appellate Division in their appeal of Judge Lawrence Lawson's decision last year affirming the Planning Board determination that the Yeshiva required a variance in order to continue to operate. Judge Lawson issued an Order staying his decision from enforcement, but only on the conditions that the Yeshiva operate with no more than its then current 31 students for the 2009-2010 school year and with no more than 12 students after the end of June.

In their motion, Mr. Shaklee said, the Yeshiva asked that the Appellate Division either hear the case in time for a decision to be made before the end of the 2009-2010 school term, or else extend the stay to permit operation with as many as 48 students, the number the Yeshiva claimed to have it enrolled for the next school year, pending the appeal. The Yeshiva claimed that it would suffer irreparable harm if forced to reduce the enrollment from 31 to 12, and

ANNOUNCEMENTS

Herewith the last month's issue of the 33rd edition of the Roosevelt Borough *Bulletin*.

As usual, we give our hard-working staff a vacation. See you in October!

If you want to contact the *Bulletin*, please look at our masthead to the right with our address and telephone number as shown.

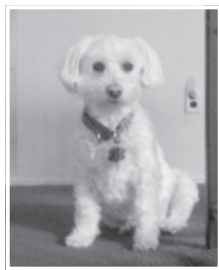

Please report any bear sightings to:
State Bureau of Wildlife Management
Kim Tinnes, Wildlife Control
609-259-7955
As well as to David Schwendeman, 443-6204

All artists are invited to Roosevelt Public School on Wednesday evenings from 7–10 p.m., to work on some form of art. No instruction, just a place to gather with other artists to do your own thing (no oils please). We will gather in the lobby of the school, except when that is in use, we will meet in the art room upstairs. For more information please call Barbara Atwood at: 918-0757 or e-mail her at: barbatwood@comcast.net.

The Meals on Wheels program delivers prepared meals to Roosevelt seniors who need this assistance. Though meals are provided free of charge to recipients, the cost to the program is \$2.50 per meal. Donations to help cover these costs may be sent to Interfaith Neighbors, 810 Fourth Avenue, Asbury Park, NJ 07712.

SENIOR CITIZENS: There is a S.C.A.T. bus provided by Monmouth County Division of Transportation that comes to Roosevelt on Wednesday mornings at 9:00 a.m. and will take you shopping to ShopRite in East Windsor. The bus will pick you up at your home, you spend 1 ½ hours shopping, and the bus will take you home and leave your groceries at your door. There is no charge to you for this service.

If you wish to go, you must call the SCAT bus Tuesday morning at 732-431-6485 and press 1. Give them your name, address, and the town you are from, and your interest in going on Wednesday, the next day.

“Vino Bianco”

PLEASE REMEMBER:

**Thoughtful neighbors
pick up after their dogs.**

**Are you a
thoughtful neighbor?**

Roosevelt Borough *Bulletin*, Inc. is a New Jersey Non-Profit Corporation

From the Mayor

By Elsbeth Battel

Dear Neighbors,

Roosevelt recently hosted a Public Information Session to inform the public of a Monmouth County Planning Board project to formulate a regional planning effort for the four municipalities comprising the Panhandle District, Roosevelt, Millstone, Upper Freehold and Allentown. Several members of the Roosevelt Planning board attended, including Michael Ticktin and myself who represented Roosevelt throughout the year. The regional collaborative met four times over the past year to exchange visions, concerns, and issues that the communities are facing now and will face in the future. The topic areas which are the focus of the plan are Natural Resources, Agriculture, Historic and Cultural Resources, Transportation (and traffic issues), Regional Cooperation, Economy and Marketing, and Housing and Development.

The regional task force hopes to establish shared services and facilities, senior services and accessibility, and inter municipal planning.

Objectives include: sound and integrated planning, preservation of historic and scenic open space, conservation of natural resources, and preserving and enhancing the quality of life in the region.

Anyone wishing more information can access www.monmouthplannig.com and seek information on the Panhandle Region Plan.

Beth ■

BOROUGH COUNCIL NEWS (CONT'D.)

Continued from Page 1

that this would be the equivalent of making it close.

In response, said Mr. Shaklee, the Borough said that the Yeshiva's claims in this regard were speculative, and that any hardship was self-imposed because the Yeshiva had chosen to expand beyond the 12 students who were there at the time that the use was approved by the then-zoning officer, an approval that was subsequently appealed to the Planning Board by the Roosevelt Preservation Association, resulting in the decision by that body that a variance was required, which led to the current litigation. The Borough also argued that the Yeshiva did not have a reasonable probability of success on its appeal. On May 28, the Appellate

Division denied the Yeshiva's motion and, on June 12, the Yeshiva filed a motion to reconsider. No decision on the motion for reconsideration has yet been issued.

In other Council developments, Ralph Warnick and Councilwoman Peggy Malkin were nominated with only nominal write-in opposition for the Democratic nomination for three-year Council terms beginning in 2011. Since there were no Republican nominees, and no independents filed for inclusion on the ballot, Mr. Warnick and Ms. Malkin will run unopposed on the general election ballot. If elected, Mr. Warnick would replace Councilman Kirk Rothfuss. ■

THE ROOSEVELT BOROUGH BULLETIN is distributed free-of-charge to Roosevelt residents.

We look forward to and appreciate contributions which are needed to keep our publication going. Contributions are tax deductible
PLEASE NOTE: Due to postal regulations we can only ask for "donations" rather than "subscriptions" from out-of-towners who wish to receive the BULLETIN. We will be pleased to continue sending them the BULLETIN when we receive their contributions which, of course, can be for the same amount (or more) as in the past.

From the Office of the Interim CSA/Principal, Shari Payson

It was my honor and pleasure to preside over the Seventy Third Annual Commencement Ceremony for Roosevelt Public School, and to share with families, friends, staff and the community, the celebration of our 6th grade graduation. Graduation was held on June 12th, on a most glorious sunny day. Our sixth graders delivered well-written essays about their school experiences focusing on their service learning: "Do One Thing" projects. Our students certainly demonstrated their ability to speak in a poised manner in front of a large audience. Our own band was on hand to play "Pomp and Circumstance". We are proud of the accomplishments of all our students.

Special honors earned by the graduates are as follows:

- Mayor's Leadership Award
..... Traci Mitchell
- Clare Sacharoff Language Arts
Literacy Award
..... John Eaton
- Emily Silverstein for a Better
World Award (2)
..... Samantha Diamonte
- Traci Mitchell
- Roosevelt Arts Project Award
..... Benjamin Hezrony
- PTA Community Service Award
..... Logan Vest
- Environmental Commission
Awards (2)
..... Ari Anish
- Carlos Camacho
- Fund for Roosevelt Environmental
Issues
..... Bryden Carr
- Nathan Bard Social Studies Award
..... Sean Curry
- Graham Nisnevitz Math Award
..... Adam Block
- Oscar Nisnevitz Citizenship Award
..... Max Vuolle

We are grateful to the community

members who generously give these gifts each year to our graduating class. Thank you to all the presenters for joining us for the graduation and for the kind words on behalf of our students and the school. A special thank you is extended to Mr. Warnick for once again sculpting the dragons for our graduates'. They are one of the highlights of graduation.

I was told that there were over 250 attendees. It was heartwarming to know that the community was/is so supportive of the school and the students.

I would like to thank everyone who helped with graduation throughout the years. The wonderful experiences that have been provided to the students throughout their schooling would not have been possible without all of your support, dedication and help.

Congratulations to the families of all our graduates - in elementary school, middle school and high school.

I am pleased to announce that the library will be opened to the public over the summer months. Hours will be from 6-8 Thursday nights. Please join us. Special thanks to Mr. & Mrs. Felong and to all the loyal library volunteers, who made opening the library during the school year possible. They were vigilant about their assignment and never missed a library night!

The close of the 2009-2010 school year came in a flash. It was a busy, productive year.

At the end of every school year, I like to reflect back over the year's challenges and accomplishments, due to the support of the Board of Education, the PTA, our families, the community, and the hard work of the teachers and staff, Roosevelt Public School:

Passed the Quality Single Accountability Continuum (QSAC) with a score of 95.5% out of 100%.

This is the State system used to monitor schools in the areas of Instruction and Programs, Personnel, Operations, Governance and Fiscal Management.

Passed our budget. (Thank you again to the community for your support.)

Implemented benchmark assessments in language arts literacy, writing and math.

Created User Friendly NJ Core Curriculum Content Standards, which were posted on the website.

Completed our new website and new tuition ads, thanks to Fletcher Grayson.

Students, Carlos Camacho and Zachary Duchai were the recipients of art awards.

All sixth grade students (thank you Mr. Santanello), most every class and student council members (thank you Ms. Bondy) participated in service learning projects.

Teachers, Ms. Shaw, Ms. Bondy and Ms. Ilene were recipients of PTA grants.

Fourth graders wrote letters to President Obama and received an "official" response.

Seven curricula were written or revised.

The Community Garden once again grew and flourished thanks to Ms. Ilene.

Implemented the Responsive

Continued on Page 5

PRINCIPAL (CONT'D.)

Continued from Page 4

Classroom, in all grades. The Responsive Classroom is an approach to elementary teaching that emphasizes social, emotional, and academic growth in a strong and safe school community.

Continued to implement differentiated activities in the classroom.

Celebrated the 30th year of service of our beloved teacher, Mrs. Gagliardi.

Substitute teachers are needed for September. To be eligible, a candidate must have 60 college credits. Paperwork for substitute teaching can be obtained from Kathy Dileo at the Roosevelt Public School. I would be happy to explain the procedure to anyone who is interested.

Just a reminder, school will open for students on Tuesday, September 7th. Please check our school web site at www.RPS1.org for the school calendar and events.

The administrative staff will be in the building during the summer. Feel free to contact us if you need any information. Have a great summer!

Shari Payson,
Interim CSA/Principal ■

Dear Citizens of Roosevelt:

Thank you for supporting the Roosevelt Public School's 6th grade class in our efforts to raise money for the graduation trip. Over the past year, you have purchased our flower bulbs, Thanksgiving pies, and assorted baked goods; you came to our Halloween Walk, as well as attended our Talent Show. Thanks to your help, we successfully collected enough money for a truly memorable day that we will treasure in our memories forever. A special "thank you" goes out to our parents as well, whose encouragement and assistance was invaluable in aiding our efforts to reach our goals. Once again, THANK YOU!

Sincerely,

The Roosevelt Public School
Class of 2010:

HAVE A SAFE AND HAPPY SUMMER!

Rooseveltians Join Other Dragons on the Water

By Carol Watchler

Roosevelt Dragons, an all-women dragon boat team led by Linda Silverstein and Mary Tulloss and comprised of community members joined by friends and co-worker, took to the water on June 6 in the Paddle for Pink Festival to enjoy the competition and help raise funds for breast cancer concerns. After competing in two races, the team headed out for the third and final heat of the day but were met with stiff winds and heavy water conditions that caused the festival to end early.

Besides paddling in the races, Roosevelt neighbors also contributed to the festival on land with Roosevelt art featured in the silent auction—a Ralph Warnick dragon sculpture and

a Jacob Landau lithograph donated by Bobbi Teich. Entertainment from the festival stage included songs by David Brahinsky and friends. And to top things off, the Roosevelt Dragons won the artistic competition for the best team sign done by Angel Cloughy.

Carol Watchler, member of the host team, the Macheistic Dragons expressed “Thanks to everyone who showed their support with fundrais-

Prizewinning Best Team Sign designed by Angel Cloughy

ing in this event. You have helped us in our efforts to attend the International Breast Cancer Survivor Dragon Boat Festival (which occurred on June 11-13 in Peterborough, Ontario), as well

as in making a contribution to the Breast Cancer Resource Center that will support their multi-faceted services of breast health awareness and patient support.” ■

DO YOU HAVE A STORY TO TELL?

Two Square Miles of Stories

Everyone in our two-square mile town has old family photographs and memories of the people in them. These pictures and your memories are narratives waiting to enrich us all. So, join us in a Roosevelt Show-and-Tell project—find an old picture or two and tell us a story in a few paragraphs.

For information telephone:

Pearl Seligman 448-2340

Bess Tremper 448-2701

A special “thank you” to all of the *Bulletin’s* page 2 “Poster Pups” and their people who have helped us bring attention to the need to pick up after our dogs.

It’s a sign of a thoughtful neighbor and an environmentally-friendly thing to do.

STOP AND SMELL THE FLOWERS

It was such a joy, sometime between Mothers Day and Fathers Day, when I noticed a young family admiring wild Honeysuckle blossoming by the fire hydrant near my house. I wandered over to say hello. They were visiting grandparents in town and while taking a walk, the mother of the two young girls was showing them how to taste the nectar of the honeysuckle blossoms. "Here, do you want to try one?" as she handed me a blossom. "Hmmm...very sweet," I said

The RPS Butterfly Garden on June 20, 2010
(Photo by David Schwendeman)

as memories of my grandmother showing me the same trick (gently pull out the stamen and a drop of clear nectar is revealed) came flooding back. "Thank you and have a nice walk," I said.

For that short time all my worries, fears and frustrations were gone. It was a pleasant distraction from life's day to day struggles. Is that something that can be learned in school; or, is it something that must be handed down from one generation to the next? Will those

young girls remember that moment forever or will it be crowded out by all the stuff on TV or on computers? I think it was and always will be a special moment in their lives. If only they, sometimes in the future, stop to smell the flowers and remember. It's a good thing.

Take the time to share what you may know to someone else who may benefit and pass it on to someone else. That's how our ancestors did it well before the written word. Relieve some stress at the same time and it becomes a win-win event.

For more flowers to smell visit the RPS Butterfly Garden.

WRITER'S LAMENT— ENVIRONMENTALLY SPEAKING

Writing a column, even for the *Roosevelt Bulletin*, takes time, imagination and dedication and my hat is off to all the other contributors. Sometimes I wonder if anyone out there is reading my words and if it is worth the effort. Occasionally I write things 'tongue in cheek' or embellished with creativity (LOL). This is in hopes of getting feedback from readers.

Well I did get feedback from a reader of POST LITTER PICK-UP UPDATE in the June (last) issue of the *Roosevelt Bulletin*. I humbly apologize for the story of a *Playboy* magazine found in the woods and my youth. No one else was involved and the one copy allegedly found in Roosevelt was quickly discarded. I had no intention of embarrassing anybody or leading any of our youth astray by discussing what some may consider objectionable literature. I will try to be more careful in the future but at least you called. Yeah! At least I have ONE reader!

HIGHLIGHTS OF LAST MEETING

There was no June meeting but the commission members are aware and concerned about the water table rising around town. We are exploring possibilities for an updated "Wetlands Delineation" and trying to determine the cause. Of course we always have Roosevelt Woodland Trail maintenance and we also listen to citizens' questions and concerns and advise as best we can.

Meetings will continue through the summer and we hope your summer is environmentally enjoyable.

OUR NEXT MEETING

Our next scheduled Roosevelt Environmental Commission meetings will be held Wednesday evening at 7:30 p.m. on July 21, August 18 and September 15, 2010. Everyone is welcome to attend and there is a chance for public comment and questions during each meeting.

If anyone has a newsworthy nature note of interest or comment of environmental concern, please give me a call at 609-443-6204 or drop a note to P.O. Box 203. Thank you for reading this column and please visit and contribute your thoughts and observations to the recgreen.ning.com website.

... AND PLEASE

WALK THE

ROOSEVELT

WOODLAND TRAIL

The First Aid Squad responded to 90 emergency calls from January 1 to May 31, 2010.

Here is a breakdown of the Squad's first five months of responses.

- Roosevelt:
 - Dizziness – 3
 - Motor Vehicle Accidents – 5
 - Falls – 6
 - Evacuations – 2
 - Fire Calls – 15 (most were from the snow storms)
 - Chest Pain/Cardiac - 3
 - Bicycle accident – 1
 - Broken Bones - 1
 - Emergency Transports – 2
 - Back Injury – 1
 - Strokes – 1
 - Pediatric Seizures – 2
 - Overdoses – 2
 - Crisis Transport – 1
 - Respiratory Distress – 6
 - Dog Bite – 1
- Millstone:
 - Chest Pain/Cardiac – 1
 - Fire Calls – 3
 - Respiratory Distress – 5
 - Emergency Transport – 2
 - Falls – 1
 - Seizures – 2
 - Allergic Reaction – 1
 - Altered Mental Status – 1
 - Diabetic Emergency – 1
 - Motor Vehicle Accidents – 8
 - Broken Bones – 1
 - Stroke – 1
 - Infections – 1
 - CO Poisoning – 5
 - Near-Drowning – 1
- Manalapan: Emergency Transport – 1

The training in June was the skills portion of the Incident Command System I-200 that was taught last month. All members acted as the Incident Commander and other positions in the Incident Command System for different incidents that were created for this training.

We would like to thank all the residents of Roosevelt for their generous donations

to the Squad. Without your support, we could not operate. Thank You!!!

Anyone who wishes to make a donation can send it to the Roosevelt First Aid Squad at P.O. Box 274, Roosevelt, NJ 08555. Remember, all donations are tax deductible and greatly appreciated.

A benefit for joining the first aid squad:

VOLUNTEER TUITION CREDIT PROGRAM

Known as the Volunteer Tuition Credit Program, it covers members of a volunteer organization who are active and in good standing, their spouse, and their dependent children. The law defines a volunteer organization as a volunteer fire company, or a first aid, or rescue squad association. They are allowed to enroll in postsecondary courses on a tuition credit basis in specific learning institutions: county colleges, county vocational schools or county technical institutes. A dependent child shall be any student who does not meet any of the eligibility criteria listed in N.J.S.A. 9A: 9-2.6 (a) or (b) for independent student status.

Each volunteer is eligible to receive tuition credit in the amount of \$600 per year, not to exceed a maximum of \$2400 over a four year service period, provided that classroom space is available and that tuition paying students constitute the minimum number required for the course.

The volunteer must agree to serve as a member of a volunteer organization for a minimum of four years.

First Aid Squad History:

October 31, 1972 the Squad was looking to buy another ambulance. In January 1975 Squad members attended a Childbirth course at the Twin Rivers First Aid Squad building. October 1984 Art Fair Committee had 30 participants of which 14 were non-residents. December 1987 10 members became certified EMT's.

Health Notes:

DROWNING AND NEAR DROWNING

Drowning is death from suffocation after submersion in water. Near-drowning is defined as survival, at least temporarily, after suffocation in water. Anyone who is submerged for even a short period of time can drown. Inhaling very small amounts of fresh or salt water can severely irritate the larynx, sending the muscles of the larynx and the vocal into larynx-gospasm a protective mechanism to prevent water from entering the lungs. If the spasm does not relax the patient cannot breathe. In the drowning patient, hypoxia will develop and the patient loses consciousness. At some point, the spasm relaxes. If the patient is still submerged, water will be aspirated into the lungs as the patient attempts to breath. In 85 to 90% of cases, significant amount of water enter the lungs. Unattended small children can drown in only a few inches of water. Alcohol and drug use are often associated with water emergencies. All drowning and near-drowning must go to the hospital.

There are still houses in town that either do not have house numbers or have house numbers that are too small or otherwise not easily visible, especially at night. Please check to make sure that you have numbers posted on your house that are large and distinctive enough so that the State Police and Fire and First Aid personnel can see them from the street.

Remember if you need help please "Dial 911".

Jack Rindt, EMT-D
 Captain
 Roosevelt First Aid Squad

YOGA

The Recreation Department is continuing its very popular Yoga program this Summer at the Roosevelt School. Classes will be instructed by Faye Nulman, a certified Yoga Instructor and Borough resident. While yoga mats will be provided, participants are welcome to bring their own. Classes are offered on Mondays, beginning July 12th, from 6:30 p.m.–7:30 p.m. and costs \$75.00 for each 8-week session. Please contact 609-448-0539, x3 for an updated schedule.

KICKBALL/WIFFLE BALL

The Recreation Department will be offering Kickball and Wiffle Ball on the ball field at the Roosevelt School. The program will run on Wednesdays from 6:00 p.m.–7:00 p.m. throughout the Summer. Children ages 6–13 may participate. There is NO COST for this program. Please contact 609-448-0539, x3 for details.

Some of the Speed Limit Signs in Roosevelt. Can you identify the streets? (answers are below)

Answers, from top: Farm Lane, North Rochdale Avenue (Rt. 571) Homestead Lane, School Lane, Lake Drive, Tamara Drive

By Ron Filep

THE solemn light behind the barns,
The rising moon, the cricket's call,
The August night, and you and I—
What is the meaning of it all!

...
If it means nothing after all!
And nothing lives except to die—
It is enough—that solemn light
Behind the barns, and you and I.

—from "August Moonlight" by Richard Le Gallienne

MAY

May was another warmer than normal month in Roosevelt and for the world. Here at home the month's average temperature was a full 4.7 degrees above normal. There were 40% fewer heating degree days than normal. The National Oceanic and Atmospheric Administration (NOAA) reported that:

- The combined global land and ocean surface temperature for May was the warmest on record, at 1.24°F (0.69°C) above the 20th century average of 58.6°F (14.8°C).
- The global land surface temperature for May was 1.87°F (1.04°C) above the 20th century average of 52.0°F (11.1°C) — the warmest on record.
- The May worldwide ocean temperature was the second warmest on record, behind 1998. The temperature anomaly was 0.99°F (0.55°C) above the 20th century average of 61.3°F (16.3°C).

We had near normal rainfall in Roosevelt during May. The total for the month was officially 4.22 inches, just two tenths of an inch below normal. However, it's worth noting that there was an intense thunderstorm on the evening of May 31 that dropped 3.63 inches of rain in Roosevelt. Since it is my practice to take precipitation readings in the morning, the 3.63 inches show up in my records for June 1, not May 31.

The May 31 storm flooded Pine Drive near the triangle. The water was so deep that residents west of the triangle

were unable to drive through the flood waters for about half an hour. In usual Rooseveltian spirit, several neighbors jumped into action to clear the clogged street drains. The water quickly drained away and traffic went back to normal.

Looking ahead, July, August and September have better than equal chances of bringing warmer than normal temperatures to our area according to the Climate Prediction Center of NOAA. Equal chances of normal above normal and below normal precipitation are predicted for the same period.

The *Old Farmers Almanac* on the other hand predicts cooler and drier weather than normal for all three months. No matter what kind of summer weather we have, I hope you enjoy the season.

Weather Words

Supercell Thunderstorm

Super Cell Thunderstorm: A severe thunderstorm whose updrafts and downdrafts are in near balance allowing the storm to maintain itself for several hours. Super cells often produce large hail and tornadoes.

trikes, skateboards, walkers**

12:30— Picnic begins at RPS(School)

Your side dish adds a lot of flavor

**Big Bouncy things, snow cones, water balloons, open mike
for any musicians who would like to make some noise**

Tutti-Fruiti on the Grill

Keep that fire going! You've grilled the burgers, grilled the corn, grilled the sweet potatoes – and now that you've come to dessert, it's time to grill some fruit for a delicious summer finale.

Just about any fairly firm fruit can be cooked directly on the grill. Rounds of fresh pineapple, or bananas split the long way & sprinkled lightly with brown sugar, are particularly tasty. Choose pieces of fruit that are ripe, but not too soft. While bananas and large fruits with tough skins should be peeled before grilling, you can leave the peels on any fruit that you'd normally eat skin and all.

Important: Before you start, make sure the grill grate is thoroughly cleaned to get rid of any lingering meat or fish flavors, and then lightly oiled with vegetable oil.

Tutti-Fruiti Skewers

- Three to four different fruits, such as bananas, peaches, pineapples, and cantaloupes.
 - ¼ cup melted butter
 - ¼ cup honey
 - 3 Tablespoons of fresh lime juice (1-2 limes)
 - 2 Tablespoons rum (optional)
 - Small metal skewers - or wooden skewers that have been soaked in water for half an hour (to keep them from burning)
1. Remove the peels, seeds, and cores from your chosen fruit and cut them into one inch chunks.
 2. Thread the chunks onto the skewers, filling the skewers about half full and alternating types of fruit, for the best appearance.
 3. Mix the butter and remaining ingredients in a small bowl.
 4. Brush the butter mixture on all sides of the skewered fruit.
 5. Grill for about 8 to 10 minutes, turning the skewers occasionally, until the fruit is nicely browned and has attractive grill marks.
 6. Serve as-is, with ice cream, or with the a light sauce of yogurt mixed with honey and a splash of lime.

BUSINESS SPONSORS

The Bulletin publishes free-of-charge public information listings from Roosevelt residents and business, and from those in the immediate vicinity with ties to Roosevelt. Write: Roosevelt Borough Bulletin, Box 221, Roosevelt, NJ 08555. Contributions are appreciated and are tax-deductible (suggested: \$50.00/year, \$60.00 if over 5 lines.) Deadline is the 15th of each month.
